“Touching nations and souls for Jesus Christ”

ABOUT REVEREND JUNE:

Reverend June Schmidt, President and founder of His Word to the Nations, is an ordained minister under the apostolic leadership of Doctor Dan Hope, President of *World Bible Way Fellowship*, who was instrumental in encouraging her to establish *His Word to the Nations, Inc.* in the early eighties. He continues to be an inspiration to and experienced advisor for *His Word to the Nations* and for June’s ministry.

June is a dynamic woman called by God to an apostolic and prophetic ministry. God validates her calling with signs and wonders following her anointed preaching and teaching, *resulting in large numbers of souls won to Christ*. Her Biblical motto is: *In demonstration of the Spirit and of power*. She flows under a strong, accurate prophetic and apostolic mantle and moves freely in the Gifts of the Spirit. June constantly focuses people on Jesus, giving God all the glory for His ministry through her. God’s love is revealed in her compassion and love for people and her radical zeal for souls.

Anointed Speaker: June is a sought after conference speaker, crusade evangelist, powerful preacher, and ministers at healing, deliverance and miracle services. She teaches at Schools of Ministry at home and abroad, speaks at Minister’s Conferences, officiates at Ordination Ceremonies and conducts life-changing seminars targeted at mobilizing believers and training leaders. June is a *Barrier Breaker* whose anointing brings down denominational, national, gender, and racial barriers! She loves taking *His Word to the Nations!*

A proven ministry: June’s apostolic and prophetic ministry has been validated by both God and man. For over a decade, she served *Gospel Crusade Ministerial Fellowship as Regional Director for the Caribbean* overseeing several hundred ministries and churches. *Gospel Crusades* founder- Dr. Gerald Derstine was instrumental in launching June into overseas missions and apostolic ministry. She was the editor of and contributor for *The Gospel Crusader*, a quarterly publication for ministers and she also served as International Director for Charles and Frances Hunter’s *Video Schools of Ministry*. The *Happy Hunter’s* were her mentors and the role-models by whom she developed her healing and preaching ministry concepts. June has been preaching and ministering for twenty-four years.
