

His Word To The Nations, Inc.

An international, evangelistic, apostolic, and prophetic ministry organization.

“Touching nations and souls for Jesus Christ”

MISSION STATEMENT AND PROFILE:

His Word To The Nations, Inc. is an international evangelistic, apostolic and prophetic ministry organization. *His Word to the Nations, Inc.* was founded by Reverend June Schmidt, as a means to better facilitate her God given call to evangelize the nations, train and mobilize believers “*to do the works of ministry*” and to inspire and raise-up leaders around the world and to help augment, strengthen and established ministries. *His Word to the Nations* and June place a strong emphasis on novice ministers, small churches and ministries and women in ministry and leadership. They also are effectively reaching out to and raising-up dynamic Christian Leaders in government, diplomatic and judicial positions and some have outreach and preaching ministries of their own.

The islands and then the nations: The major outreach of *His Word to the Nations* and Reverend Schmidt is to “*the islands and costal regions*” first and then to the other nations. In addition to *His Word to the Nations’* and June’s multi-faceted ministry of twenty-four years in the Caribbean, God is expanding their vision and outreach to Canada, England, Scotland, South America, and the USA. Reverend Schmidt and the Board Members of *His Word to the Nations* are currently preparing for a one year *Apostolic Mission* to Australia and New Zealand, hopefully by mid-year 2005.

A visionary at its helm: Reverend Schmidt is President of *His Word to the Nations, Inc.* Her biographical profile appears in *Who’s Who in American Christian Leadership* (1990) and *Marquis’ Who’s Who in Religion* (1992-1993) and other similar publications. *His Word to the Nations* and her ministry are respected and appreciated around the world, especially by leaders and those who hold a five-fold ministry office. June is continually integrating steps to enlarge and expand the ministry of *His Word to the Nations, Inc.* to encompass more regions and to reach a greater number of people for Jesus Christ.

His Word to the Nations and its Board Members want to encourage you to invite Reverend Schmidt to minister. We have included the following ministry description: [About Reverend June](#), to help you to better understand her ministry and that of *His Word to the Nations*.
