To Whom it May Concern:

We have been acquainted with June Schmidt for approximately 14 years.

We have seen her grow and mature at an incredible rate and consistently walking with God.

Recently she put together a trip for us to the West Indies and did one of the most incredible jobs we have ever seen. She preached in all of the meetings along with us. We do not know of any more powerful preacher today than June Schmidt.

She knows the Word, she speaks the Word, and when she lays hands on the sick they recover.

We would not hesitate to recommend her for any speaking requirement you might have.

She is a woman totally committed to God and her dedication is almost without equal.

In His Love,

Charles and Frances Hunter
