To Whom It May Concern

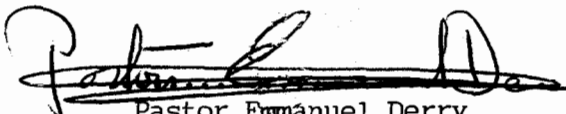

This is to certify that I, Pastor Emmanuel Derry of the Board of Presbytery of the United Evangelistic Church of God Inc. of Bank Village, Carapichaima, Trinidad, have met and had fellowship with Sr June Schmidt of Gospel Crusade Ministerial Fellowship. She was a guest at my home and ministered the Word of God in the Church on two occasions.

From the moment of our meeting, the Spirit of God bore witness to our spirits and love flowed from our hearts to each other. She exhibited such a humble spirit and one could relate to her without feeling inferior. She has a genuine love for the people. One could sense the passion she has for the Lord as well as her desire for God's people. The love and joy of the Lord could be discerned by the way she ministered the Words. Even when not ministering, she bubbles over with the joy.

I was indeed pleased by the way God used her through the manifestation of the gift of the word of knowledge at our meetings. I can testify to the fact that she is truly God's house of glory.

Therefore, I do not hesitate to recommend this dear woman of God to all who desire to have her services anywhere in the world.

Yours in His Service,

  
Pastor Emmanuel Derry
